Summer Must-haves and Do's

Prêt-à-Déjeuner

Out to lunch with Moynat's exclusive bicycle picnic trunk. This luxuriously crafted, Dutch-style bicycle features a detachable trunk with Moynat's iconic Art Deco Initial canvas. Moynat is one of the oldest French trunk-makers, since 1849 to be exact, and this bicycle is available by special order at its Paris flagship store on Rue Saint-Honoré. Price available upon request. moynat.com

The Hamptons Express

Shellie Goldstein is the go-to New York City acupuncturist for celebs and VIPs and this summer she introduces a new Hamptons Express cosmetic treatment. This efficient and effective version of her trademarked AcuFacial Facelift™ allows you to get pampered while on the go. Rejuvenate your skin with Shellie's microcurrent therapy and acupuncture. The treatment stimulates facial muscles, brightens your complexion and tightens loose skin. The best part is that Shellie will come to you for a perfect prep before any dinner or cocktail party this summer. To arrange an appointment, visit hamptonsacupuncture.com or call 212.388.0800

Bespoke Beach Gear

When heading to the beach, Longchamp is always the best tote to bring. It's durable and classic, so why not have it personalized to your liking? The classic Le Pliage Cuir is available this summer to be customized with your initials. Choose from eight different colors: orange, pink, lemon, camel, black, taupe, indigo and even vermillon. Prices range from \$600 to \$790 depending on size. Visit any store or go to longchamp.com
